Financial Reports

The Board received copies of the October 2019 Treasurer’s and Cash Flow Reports.

Chief’s Report

Chief Marrs reported on the following:

- Christmas Outreach – Donations are being collected between November 20th and December 18, 2019 and will be distributed December 23rd to 50 families referred to us by DSHS.
- Tree Lighting - The YB Tubless Tree Lighting event will be on December 4, 2019 at 6:00 PM at YB Tubless in Burien. The exact date of the White Center Tree Lighting ceremony at Triangle Park has not yet been decided. It will be on either December 14th or 15th.
- Update on Peer Support – Two more employees are scheduled to participate in Peer Support Training, which Shauna Sheppard has attended. Dr. Murphy will help us obtain baseline awareness training and establish a tiered approach to our peer support efforts. Another resource, Dr. Pierce, offers awareness training and some free information to share with our staff. We are also working to establish standardized emotional and peer support programs by incorporating some standardized mental health training and communication skills.
- Update on Mobile Integrated Health (MIH) – The Medic One levy passed so we will receive approximately $190,000 for MIH in 2020. However, we are not required to have a program up and running by January 1 or spend the money in 2020. To give us time to establish a program, we can save it for 2021. We are looking at several options. They include joining regional programs and working with the Tukwila Fire Department or South King Fire & Rescue. Chief Marrs and Assistant Chief Pettigrew have been meeting with several established teams to learn about their programs to help visualize what a King 2 and NHFD program might look like. King County is allowing autonomy in developing programs. The plan is to have districts and departments come together after a year to see how they are managing and share best practices. Commissioner Giba thinks working with our local police makes sense. Major Jesse Anderson, Precinct 4 Commander of the King County Sheriff’s Office (KCSO), and representatives of the Law Enforcement Assisted Diversion (LEAD) program will discuss LEAD at the December meeting of the North Highline Unincorporated Area Council (NHUAC). LEAD has begun in Burien and will soon start in North Highline. Chief Marrs added that he and Asst. Chief Pettigrew have participated in meetings with KCSO and Burien about LEAD. Burien may have a social worker ride with police officers. Commissioner Hiatt noted that surrounding municipalities have had problems covering large geographic areas. There is no denying the need or that complex social problems impact emergency services.
Update on the 2018 Audit – The audit is complete. The exit interview will take place at our January 27, 2020 regular meeting.
