**IAFF Local #1461**

• Ernie Brown noted that the MOU has been progressing. Local #1461 will be lobbying in January session regarding a bill that is not favorable to District #11.

**Financial Reports**

The Board received copies of the November 2018 Treasurer's and Cash Flow Reports.

Chief Marrs noted that overall, we are within budget for the year. Overtime is over budget, but that is to be expected at this point in the year.

**Chief’s Report**

Chief Marrs reported on the following:

• Update on Hiring Process – Written tests and oral boards have been conducted. Chief Marrs thanked Jason Gay, Tim Ziminsky, Eric Boutwell, and Troy Harris for conducting oral interviews with the top 30 candidates. Chief Marrs conducted the top 20 interviews
and is compiling the 2-year list. There were fewer applicants, however, they were high quality candidates. There are many dedicated people looking for jobs in fire service.

- AMR Strike – Seattle has a franchise agreement with AMR and we are not directly affected because more than 95% of our transports are through Tri-Med and Matt Gow. Chief Skoggins is putting together a strategy on how they will handle downtown Seattle. Tri Med does not have capacity to cover the downtown Seattle area and will not pull resources to cover that area. They are proposing a state mobilization structured agreement to gain resources for off-duty firefighters and reimburse the districts and pay over-time rates for the crew. We are reviewing our capacity to see if we can provide additional service to assist the City of Seattle after we receive more information about the strategic plan. The vote is scheduled for Friday, December 21, 2018. Reviewing other labor issues after the vote and will revisit. Ernie Brown commented that we will take care of customers in the event of emergencies and the union has a position that we will try to staff an aid car and create an MOU to accomplish support and still support their union brothers and sisters.

- Fire investigation report - Minor offenses and zero financial loss. Cascade Middle School had a small incident of toilet paper being set on fire. It was immediately extinguished. Charges have been filed.

- Christmas Outreach – Deliveries to 50 families whose information was provided by DSHS will be made on December 20, 2018. Sunnydale Elementary School is the loading area and the crew will head out from there to deliver packages.
